

YELLOW POINT Cranberries

Hello Fundraisers:

It is time to register for our Annual Thanksgiving Fall Fundraiser. Here is a quick overview of the items that we are offering:

- 1 Kg Bag Premium Fresh Cranberries (Retail \$9.00)
 - 8-10 cups of cranberries
 - Designed for 2 batches of sauce or one batch sauce and 2 batches muffins etc
 - Our top selling item
- 450g Bag Premium Fresh Cranberries (Retail \$6.00)
- 1 Pint Container Premium Fresh Cranberries (Retail \$5.00)
- Cranberry Sauce – 190ml jar (Retail \$8.00)
- 10kg box Premium Fresh Cranberries (Retail \$75.00)

Benefits of participating in this fundraiser:

- This fundraiser can be organized and implemented start to finish easily by one volunteer
- Your group will be offering something that is unique, locally grown, fresh and extremely useful to most people at this time of year. This should make selling easy and your fundraiser a success.
- Your group keeps 40% of what you sell
- Pick-up will be October 4th – October 8th unless otherwise arranged. Some groups selling boxes to local restaurants will want an earlier pick-up date
- Orders are pick-up only this year due to huge increases in shipping costs – Hopefully we can resume delivery service next year
- Order deadline is Friday October 1st– we can make small adjustments only after that date due to staffing and distancing protocols for picking, cleaning and packaging.
- Cranberries need to be kept in a cool place once delivered – they do not have to be refrigerated on delivery day
- Fresh Cranberries last 2-3 weeks in the fridge and over a year if you freeze them
- Every bag of cranberries comes with a recipe for Cranberry Sauce inside.

We look forward to hearing from you soon. If you have any questions or would like to register your team, please call the office **250-740-0964** and one of our coordinators will be happy to help you out.
